Pest Prevention Proposal for Brickell Place Phase 2 Association grounds & component areas.

Covered pests under this agreement:

Structure infesting Ants, Cockroaches, Silverfish, & Rodents.

Supplemental pest services: Flies, Mosquito, Birds, Bees, Termite treatments and Wildlife management.

Means & Methods: Our company strives to relentlessly meet our client's expectations by keeping our word, delivering on our promises and consistently performing exceptional service. Our methods of combining Eco-friendly green initiatives and conventional pest control methods and products are well proven. All our pesticides and formulations used are registered with the U.S. Environmental Protection Agency (EPA), state and/or local jurisdiction. We adhere to L.E.E.D. and follow the RRPL (Reduce Risk Pesticide List).

• **CRAWLING INSECT CONTROL:**
(Ants, Cockroaches, & Silverfish)

Four monthly service visits will be carried out to inspect and proactively treat all interior elements of Brickell Place Phase 2 Association.

Common public and support areas serviced monthly.
Exterior perimeter barrier treatments for crawling insects.

• **RODENT CONTROL:**

Supply, install, service, maintain, and replenish (10) labeled multiple pest unit stations.

• **RESIDENCE UNITS:**

An average of 145 residents' units serviced monthly.
Completing a pest control rotation every quarter / 90-days.

7100 W. 26th Ave. Bay 5 Hialeah, FL. 33015 O: 954-842-3426 ApexEnvSolutions.com

Supplemental pest services

- FLIES: (2) Insect light trap devices in the trash rooms will be serviced monthly at the charge of \$25.00 per insect light trap device unit.
- MOSQUITO CONTROL: A mosquito barrier treatment will be applied to the exterior perimeter, surrounding grounds, vegetation, and known or potential mosquito breeding areas. Standing or stagnant water will be removed when feasible and treated with a mosquito adulticide to prevent infestation.
An In2Care mosquito trap will be strategically installed and routinely serviced. Each service visit will be billed at **\$125.00**.

Please note: **Additional barrier treatments may be necessary throughout the mosquito season** to maintain effective control.

Supplemental pest services continued

- BED BUGS: \$125.00 bed bug inspection. Conventional or thermal treatments are available and are priced per job.
- BIRDS, BEES, and WILDLIFE management. (i.e. pigeons, sparrows, black birds, opossums, racoons, snakes.) This is priced per job and prior inspection is required.

1. APEX ENVIRONMENTAL SOLUTIONS agrees to perform Integrated Pest Management service as follows:

Description of services to be provided:

Apex Environmental Solutions will provide (4x) monthly Integrated Pest Management (IPM) service visits, to include servicing all interior common, support areas, the exterior perimeter of Brickell Place Phase 2 Association premises and it's surrounding areas, to help prevent nesting and traffic of rodents & crawling insects (ants, cockroaches, & silverfish).
All residents units in Corsica bldg, Cabanas, Dominica bldg, and Townhouses will be on a quarterly rotation.
Regular Integrated Pest Management program rotation, will ensure that potential harborage areas are not suitable for pests. Which may be introduced by vendor supplies, employees or guests.
Rodent bait stations will be installed and maintained at strategic locations outside, to continuously impact any pests population threatening incidental entry to the inside.
Apex Environmental Solutions has service 24 hours a day, seven days a week. In the event, the need for incidental service arises between scheduled visits.
A call to the local branch, will be responded to within 2 hours. A site visit within 24 hours based on the customer's need.
This service is included at NO Additional Charge.
All service will be documented. The report reviewed and retained in the service log. The service information will be recorded, stored electronically and emailed.

Covered pests under this agreement include common Structure Infesting Ants, Cockroaches, Silverfish, and Commensal Rodents.
Carpenter ants, Pharaoh ants, Bed Bugs, Mosquitoes, Wildlife nuisance animals and Non-Covered Pests are optional pest services.

Entire ext. perimeter, ext. pool areas and grounds.
10 rodent bait stations inspected, maintained, and replenished monthly around entire exterior perimeter.

*(14) Commercial units space will be treated as needed

2. Customer agrees to pay for the above service at the rate of **\$ 1,350.00** plus any applicable sales tax for the first month of service and thereafter at the rate of **\$ 1,100.00** per month, plus any applicable sales tax. Payment is due within 30 days of date invoice is received by Customer.
Past due invoices will be subject to a late payment charge of \$25.00. Customer is liable for payment of all cost of collection of past due accounts, specifically including, but not limited to, court costs, expenses and reasonable attorneys' fees. The monthly service charge may be reviewed after the initial term of this Agreement.
3. **APEX ENVIRONMENTAL SOLUTIONS** will carry out additional inspections and service, at no extra charge, should a reinfestation of the above covered pests occur between our regular service visits.
4. Customer agrees to give **APEX ENVIRONMENTAL SOLUTIONS** access to all areas as may be required to complete the Integrated Pest Management service. Customer further agrees to cooperate as needed to perform the Integrated Pest Management service and to correct conditions conducive to pest infestations as indicated on the sanitation, structural and storage report.
5. **APEX ENVIRONMENTAL SOLUTIONS** agrees to use only EPA registered pesticides in accordance with label directions. Copies of label and material safety data sheets are available upon request. **APEX ENVIRONMENTAL SOLUTIONS** hereby affirmatively disclaims any liability for damages or injury caused by the use of EPA registered pesticides used in accordance with the manufacturer label directions.
6. Customer agrees that the service provider under this Agreement is not to be construed as insurance, or as a covenant, guarantee, warranty, or promise of any kind that Customer is in compliance with any legal guidelines or requirements. **APEX ENVIRONMENTAL SOLUTIONS** disclaims any liability or responsibility regarding the practices and operations of the client, and bears no responsibility or liability for whether the Customer carries out the recommendations made by **APEX ENVIRONMENTAL SOLUTIONS**.
7. Customer and **APEX ENVIRONMENTAL SOLUTIONS** will mutually indemnify and hold harmless from and against all claims, demands, liabilities, obligations and attorney's fees or costs brought by any third parties, arising out of, or related to either Customer or **APEX ENVIRONMENTAL SOLUTIONS** gross negligence or failure to act in accordance with any legal requirements contained within this agreement.
8. The initial term of this agreement is one year from the date hereof, and the term, thereafter, will be month to month.
Unless otherwise specified, prices are subject to reasonable annual increases based on the Consumer Price Index, CPI-U NSA, as listed on the US Department of Labor, Bureau of Labor Statistics Website.
9. Termination or ETC: This agreement can be canceled by the Customer or APEX ENVIRONMENTAL SOLUTIONS at any time and with / without clause after initial term is satisfied. A written notice of termination is required at least 30 days prior.
ETC / Early Termination Charge, If Customer terminates prior to the expiration of its initial term or if Apex Environmental Solutions terminates the Agreement for cause prior to the expiration of the initial Service Commitment Period. Apex Environmental Solutions reserves the right to charge the Customer (i) any outstanding charges for Integrated Pest Management Service to the date of such termination, plus (ii) an amount equal to the number of months and portions of months remaining in the Integrated Pest Management Agreement times the applicable. If for any reason, Customer is dissatisfied with service provided, Customer will provide reasonable notice and grant **APEX ENVIRONMENTAL SOLUTIONS** a period of 30 days to rectify pest problems covered under this agreement. During this time **APEX** will carry out extra inspections and treatments at NO additional charge.
10. **REQUIRED BY FLORIDA LAW:** The structural pest control act requires all pest control companies to maintain insurance coverage. Information about the coverage is available from this pest control company. Company will also maintain insurance as required by client.
